|---|----------|
| My relationship to client   |          |
| Are you the client's<br>Substitute Decision Maker?  |          |
| If no, name of the client's<br>Substitute Decision<br>Maker/person able to provide<br>consent | Name:    |

Our dental hygiene clinic embraces an evidence-informed, person-centered approach to quality dental hygiene care to those we serve. The purpose of this questionnaire is to gather additional information to help us/our students prepare to make your visit to our clinic as comfortable and successful as possible. Please share all important details about you/the person you care for.

Please return the completed form to \_\_\_\_\_ prior to your visit.
